## PRINCIPAL'S *report*

We have enjoyed a smooth start to Term 2, with students quickly settling in to their routines. Whilst we have been experiencing some cooler weather, we have been lucky to have plenty of sunshine for the students to enjoy. Term 2 is always busy with sport, activities and events, so please check our dates and join the fun. One of the highlights over the past fortnight was our schools involvement in ANZAC services both in the community and at school.

### RETIREMENT

Fiona Blake has been a much loved member of staff for many years. Sadly this is her final day at LBC. She has been our Lab Technician for many years and has also been an amazing classroom support, particularly for our secondary students. Fiona has been running small group multi-lit sessions to support students, and is always helping out around the school (in too many ways to list them all). Our staff, students and school community will truly miss Fiona and are grateful for her many contributions to Lake Bolac College and the wider community over the years. Thank you Fiona, we wish you all the best on your retirement and in your new adventures.

### ANZAC LEGACY

A group of Year 7 students were honoured to attend the Shrine Legacy Excursion again this year. This opportunity is organised by the Ararat Legacy group and they generously provide the transport and activities for the day. Thank you to Mr Geddes who attended with our students and was able to support their learning on this important day.

## ANZAC SERVICES & GARDEN

The town ANZAC service provided a special opportunity for our students to be involved:

- Will Blackburn (Jnr Captain) – reading of the requiem, laying of the LBC wreath.
- Mia Wardlaw (Jnr Captain) – laying of the LBC wreath, handing out programs.
- Mita Ratana (Snr Captain) – laying of the LBC wreath
- EJ Pacujan (past Jnr Captain) – flag bearer, leading the march.
- Riley Rowland – handing out programs

We also had a huge number of students in attendance with their families, many of these in school uniform as representatives of the College. Thank you to all of the students and families who made this possible and to families who attended other services throughout the region. The support for the Lake Bolac service was impressive and also an ideal precursor to our own service at school. The year 5-6 class led our service in the Gallery, followed by a visit and minute of silence in our new commemorative garden.

## ENROLMENTS

Lake Bolac College is accepting enrolments for 2025. Please contact the school if you require further information. Current families who expect changes to their enrolment status are also encouraged to confirm their status with the school. This supports planning for 2025 and beyond, including determining our class sizes, staffing needs and resources.

## HEAD LICE

We have had cases of head lice throughout the school at various year levels. All families are encouraged to conduct their own checks and treat any outbreaks accordingly. A fact sheet was emailed to families with further information on how to identify and treat head lice. There will be head lice checks conducted at school in the coming weeks, and we are hopeful that most cases will be identified and eradicated prior to this. Thank you for your support in getting rid of these unwanted guests at school and at home!

## MORRISBY TESTING

Mrs Rose has been organising the Morrisby Profile Testing with our senior students. This involves a detailed questionnaire and interview to determine career strengths. Our students often have their aspirations confirmed, or are presented with interesting new ideas. As we move through the year, these students will be supported to explore a range of career options and industries, which will support their future planning and course selections.

## MOTHER'S DAY CELEBRATIONS

We are looking forward to our Mother's Day Celebration here at school, and hope that many of our Mum's and carers can come along to enjoy the activities. Please see the flyer for more information.

## SPORT

Mr Keating has been busy running *Cross Country* trials with students. This has identified students who will be able to compete at the Mid West Complex (Year 7-12) and Black Ranges (Year 3-6) competitions. Well done to all students who have qualified and good luck for your prospective events.

We also have the *Lake Bolac & District Athletics* coming up, which is always a tremendous event with our partner schools. We are looking forward to welcoming the LBC families and those from Maroona, Willaura and Ararat North. Please let Mr Keating know if you are available to support on an event for part of the day.

### YEAR 7-8: *EJ*

For jumping right back into his learning and making the best go of everything he does.

### YEAR 9-10: *Harmony*

For working hard to achieve her best in all classes.

## STUDENT LEADERSHIP GROUP

This term our *Friday Fun Day* will be on 24th May 2024. We will be hosting an 'Australia's Biggest Morning Tea' event to support the Cancer Council to fund research, prevention and support services for those affected by cancer. We would like to invite our family, friends and the Lake Bolac community to join us for Morning Tea from 10:30am in the Gallery. We ask families to donate a plate of food to share and we will be collecting gold coin donations towards our fundraising effort for the Cancer Council. We encourage our students and visitors to dress up in their 'Sunday Best' - just a little bit fancy! We will also have some giant games for families and friends to play together. We hope you can join us and help us raise \$500 for Cancer Council. If you would like to make an early donation to our fundraising efforts, please do so here: <https://www.biggestmorningtea.com.au/fundraisers/LakeBolacCollege>

## LEGACY ANZAC EXCURSION

On Friday 19 April, four of our year 7 students – Riley, Elise, Axel and Felix, accompanied by Mr. Geddes – attended the Victorian Legacy ANZAC Day schools' service to lay a wreath on behalf of the school.

After a very early start we connected in Ararat with a coach carrying students from Stawell, Ararat and Beaufort, as well as a handful of Ararat Legatees, before a run in to Melbourne to the Shrine.

Once we arrived, we quickly found seats, and after a short wait were asked to stand quietly as the catafalque party mounted guard around the cenotaph. Thousands of Victorian school students from all over the state craned their necks as an RAAF Winjeel from the RAAF museum historic flight performed a fly-past. The ceremonial guard, comprised of the Melbourne High School cadet unit, marched onto the forecourt, and the Guest of Honour, Her Excellency Professor the Honourable Margaret Gardner AC, Governor of Victoria, arrived.

The service itself was a grand, solemn and moving occasion.

"Looking inside the shrine was the highlight of my day", said Elise.

Felix and Riley both agreed that having the opportunity to lay a wreath at the cenotaph was a real highlight.

"Seeing the Governor, and realizing she is the person who signs bills into law was interesting", said Axel

There was an opportunity for a quick tour of the exhibitions inside the shrine, including the crypt and exhibition space, before getting back on buses to go home, with a short stop for lunch.

After a long trip back, we arrived back at Lake Bolac in the late afternoon.

## ANZAC BISCUIT BAKING

## WHAT'S NEW IN THE LIBRARY

At the age of 13 Sidney Kidman ran away from home with only five shillings in his pocket.

He went on to become a horse dealer, drover, cattle buyer and bush jockey and he also ran a coach business.

Above all, Kidman created a mighty cattle empire of more than a hundred stations,

fighting droughts, bushfires, floods and plagues of vermin to do so.

His enterprise and courage won him a huge fortune and made him a legend.

## LUNCHBOX IDEAS— Honey Cornflake Slice

Recipe from Bake Play Smile

### Ingredients

- 1 1/2 cups cornflakes
- 1 1/3 cups rolled oats
- 1 cup desiccated coconut
- 3/4 cup caster sugar
- 150g butter
- 3 tbsp honey
- 100g white chocolate melted for decorating (optional)

### Instructions

- Preheat oven to 160 degrees celsius (fan-forced). Grease and line an 18cm x 28cm baking tin with baking paper and set aside.
- Place the Cornflakes, rolled oats, desiccated coconut and caster sugar into a large bowl. Stir to combine.
- In a separate bowl (microwave-safe), place the butter and honey. Melt in the microwave on 50% power for 3 minutes or until melted.
- Pour the liquid over the dry ingredients and mix well to combine.
- Press into the prepared baking tin and bake for 20 minutes or until lightly golden.
- Allow to cool in the tin. Drizzle over the melted white chocolate (optional). Chill in the fridge for a minimum of 1 hour before cutting into pieces.

# Carranballac State School mural

The State School mural was unveiled to celebrate 50 years of education at Carranballac, in October 1964. The mural is being remade, with as much of the original as could be salvaged. In September, anyone who is interested can attend a *working bee* to help remake the background.

The completed mural will be *unveiled* at a community gathering at the Carranballac Hall on the afternoon of

*Sunday 6<sup>th</sup> October 2024*

Further details will be posted closer to the date.
